RE: Himco Landfill
Elkhart, Indiana

Dear Ms. Fript:

Your letter addressed to ~~Arrow Tool~~, Inc. relative to the captioned matter was signed for by the receptionist for the business which presently occupies the building at 3000 Hammond Avenue in Elkhart.

Eventually the letter got to me because Arrow Tool, Inc. had at one time been a client of mine. This is simply to inform you that Arrow Tool went out of business in October of 1988.

Very truly yours,

Vernon Atwater
